**Report On  
Online Faculty Development Programme (FDP)  
“Current Higher Educational Issues”  
(27th Sept.2021 to 1st Oct.2021)**

Higher Educational Institution (HEI) plays a vital role in building a nation's intellectual capital required for sustainable development and positive engagement in the global knowledge economy. The main objective of this online Faculty Development Programme is to sensitize and motivate the faculties associated with the higher education to adopt learner centric approaches, ICT integrated learning and new pedagogic approaches. These approaches are teaching, learning and assessment tools in higher education. The development of these skill sets among the teachers of affiliated colleges is necessary to take up the challenges of syllabus revision and evaluations reforms.

**Expected Outcome of Online FDP:**

1. Introduce new teaching faculty about the current academic ecology.
2. Inculcate the importance of research in teaching.
3. Encourage to use ICT tools for effective content delivery.
4. Expected roles of teachers & managing classroom behaviour
5. Discuss advance pedagogical techniques

With above expected outcome Internal Quality Assurance Cell of the institution has organized 5 days Online FDP. The process of inviting interested participants and wide circulation of broacher was done using social networking channels and through online registration facility.

Total 52 participants registered for the Online FDP.

Google Link was designed for registration and widely circulated among local teachers whatsapp number. Fees of Rs.150/- was charged from each participants.

Feedback related to each session form participants were collected by designed google form.

**Chief Guest of Inauguration Session** of five days was **Dr. Poonam Nathani**, In-charge Principal, Dayanand College of Law, Latur. **Chief Guest of Valedictory Session** was **Dr. Vasant Bhosale, Dean, Commerce Faculty, Swami Ramanad Teerth Marathwada University, Nanded.**
