Report on "Special Camp for Voter Registration" organized at College Premises

The Department of National Service Scheme (N.S.S), in conjunction with the Collector and District Election Officer, Latur, organized a special Voter Registration Camp at the college on November 30th and December 1st, 2022.

During the camp, 12 students successfully registered their names and completed the necessary procedures to obtain their election voter identity cards. Their applications were processed promptly to ensure their inclusion in the voter rolls.

Furthermore, the college administration took the initiative to gather the required information, such as Aadhar Card numbers and contact numbers, from 188 students. This information was then sent to the respective Election Office, specifically the Tahsil Office in Latur, to facilitate their registration as voters.

In recognition of his outstanding work as the best Nodal Officer, Asst. Prof. Kshirsagar Nilesh L. was awarded by the E.L.C. Club in Latur. This recognition highlights his dedication and exemplary performance in overseeing the organization and success of the Voter Registration Special Camp.

The collaborative efforts of the N.S.S, the Collector and District Election Officer, the college administration, and the students themselves have contributed significantly to increasing voter participation and promoting the democratic process in Latur.
