Report on "E - Voters Pledge" organized by Campus NSS Unit

India proudly holds the title of the world's largest democracy, and the sovereign rights bestowed upon its citizens are a source of pride for the nation. To ensure the smooth and effective functioning of this great country, it is imperative that its citizens are well-informed about their rights and responsibilities. Among these responsibilities, one of the most critical is the awareness of voting rights, especially among new voters. Recognizing this vital national duty, the NSS Unit of our esteemed institution has taken the initiative to install democratic values in the minds of the younger generation.

On the momentous occasion of the **13th National Voters Day**, which took place on **January 25th 2023**, the NSS unit took a step further and motivated students to participate in the E-Voters pledge. With enthusiasm, students were encouraged to visit the official website of the Chief Electoral Officer, Delhi, available at <https://www.ceodelhi.gov.in/WelcomePledge.aspx>, to take the E-Voters pledge and upload their information.

The response was heartening as **72 students**, along with the support of **03 dedicated faculty members**, actively registered their participation in this significant activity. Their eagerness to engage in the democratic process reflects the future of our vibrant nation.

In an earlier event, during the period of November 30 to December 1, 2022, the NSS unit successfully organized a Voters Registration Camp. Through this endeavour, they facilitated the registration of names for 12 students and 188 other eligible voters, whose details were dutifully forwarded to the District Election Officer.

The NSS unit's dedication to promoting democratic values and empowering young minds with the knowledge of their civic duties sets a remarkable example for the entire nation. As we move forward, nurturing a generation of responsible and informed citizens, we can undoubtedly look forward to a brighter future for India, the largest democracy in the world.
