## Report on “Rural Life Photography Competition - Glimpse of Rural Life” organized by N.S.S. Unit [Academic Year 2022 - 2023]

From January 13th to January 19th, 2023, the College's National Service Scheme Unit orchestrated a remarkable Annual Camp at Borwati, TQ. Dist. Latur, situated a mere 6 km away from Latur City. This span of time saw the unfolding of an array of impactful social endeavors, including a vigorous cleanliness campaign, a comprehensive dental checkup and awareness rally, and an engaging quiz competition tailored for local school children. With unwavering enthusiasm, a total of 35 volunteers, alongside 15 other students and esteemed faculty members, wholeheartedly immersed themselves in the camp's vibrant activities.

Under the guiding theme of 'Yuvakancha Dhysaa – Gram Shahar Vikas'—which translates to 'The Youth's Ambition – Development of Urban and Rural Areas in Tandem'—the camp sought to instill the idea that genuine urban development only attains its full meaning when intertwined with the growth of rural areas. This theme encapsulated the holistic approach to progress. Furthermore, the strategic choice of holding the NSS camp within close proximity of a rural community was deliberate, aimed at sensitizing college students to the realities of rural living. The camp meticulously structured activities that confronted a spectrum of rural issues, bestowing upon the participants an authentic firsthand experience of rural life's nuances.

Aiming to foster keen observational skills and camaraderie among students, the NSS cell ingeniously orchestrated a photo competition on January 19th, 2023. Students, brimming with curiosity, embarked on a brief sojourn within the village, armed with their cameras to capture the essence of rural life. Within a 30-minute window, they scoured every nook and cranny, snapping photos that showcased the distinctive tapestry of rural existence. These snapshots were swiftly dispatched to the Program Officers' mobile devices. An impressive cohort of 22 students partook in the competition, each offering a unique perspective through their lens. The end result of this creative endeavor—meticulously evaluated by Asst. Prof. Anita Chaudhari and Dr. Vidya Kamble—was the selection of three exceptional photographs that encapsulated the essence of rural life's special charm. In recognition of their talents, the Principal personally bestowed recognition upon the talented students.

The Special Annual Camp of the National Service Scheme Unit stands as a testament to the power of communal effort, conscious development, and the transformative potential of firsthand experiences.
