Special Days & Events Celebrated

By National Service Scheme Unit

Academic Year [2018 - 2019]

In addition to fostering academic knowledge, our institution is dedicated to instilling values and principles in our students. One way we achieve this is by commemorating the birth and death anniversaries of remarkable individuals who have made significant contributions to our nation. These events serve as a reminder of the outstanding achievements of these nation builders.

Through these commemorative occasions, our institution aspires to set a shining example of the kind of role models our students should look up to. We believe that by honoring the legacies of these great personalities, we can inspire our students to pursue a path of wholesome development and growth. These events are not just a celebration of the past but also a source of inspiration for the future, encouraging our students to strive for excellence and make meaningful contributions to society.
