**Special Days & Events Celebrated  
By National Service Scheme Unit  
Academic Year [2019 - 2020]**

In addition to fostering academic excellence, our institution is unwavering in its commitment to instilling a strong foundation of values in our students. We believe that education goes beyond textbooks and lectures; it's about shaping individuals who are not only knowledgeable but also morally upright. One of the ways we achieve this is by commemorating the birth and death anniversaries of remarkable personalities.

These commemorative events serve as a powerful reminder of the outstanding achievements of these nation builders. By celebrating their lives and legacies, we aim to inspire our students to follow in their footsteps. These individuals have left an indelible mark on history, and we want our students to recognize them as role models.

Through these events, our institution seeks to cultivate an environment where the holistic development of our students is paramount. We want them to not only excel academically but also grow into responsible, compassionate, and socially aware individuals. By honoring these great personalities, we hope to ignite a sense of purpose and a commitment to making a positive impact on our society, just as these nation builders did.
