**Report on "Hair Donation Camp" organized by N.S.S. Unit
[Academic Year 2021 - 2022]**

The National Service Scheme Unit of our institution has been consistently engaged in various social welfare activities, aiming to fulfill our social obligations. One such meaningful event was the Hair Donation Camp organized on October 29, 2022. We recognize the profound physiological and emotional impact that hair loss has on cancer patients, which can often hinder their chances of recovery.

To address this issue, our NSs unit collaborated with the Inner Wheel Club Latur to host a hair donation camp right here on our college campus. The goal was to collect hair from generous donors to create wigs for cancer patients. In the lead-up to the event, both the institution and the Inner Wheel Club Latur launched an extensive publicity campaign, appealing to individuals to participate in this noble cause.

To make the event even more special, we were honored to have the then Mayor of Latur Municipal Corporation, Honourable Shri. Vikrantji Gojamgunde, as our Chief Guest. His presence added significance to the occasion and served as an inspiration for everyone to contribute to this cause. Together, we demonstrated the power of compassion and unity in making a positive impact on the lives of those facing the challenges of cancer.
