N.S.S. Volunteers enjoying Lunch during Camp

Dental Camp for Students, School Students and N.S.S. Volunteers

Lecture on Environment Protection

College Staff & N.S.S. Volunteers

During the remarkable Annual Camp held at Raiwadi in the Academic Year 2019-2020, the N.S.S. unit orchestrated a myriad of impactful initiatives aimed at fostering positive change within the village community. The dynamic array of activities seamlessly blended social engagement and awareness campaigns, leaving an indelible mark on the residents. Noteworthy endeavors included a dedicated Oral Health Camp, wherein the community's well-being took center stage. A spirited Village Cleaning Campaign ensued, transforming the surroundings and instilling a sense of collective responsibility. Tree Plantation efforts were set into motion, contributing to the village's green landscape.

In addition to these tangible efforts, recreational activities infused joy and camaraderie, creating lasting memories for everyone involved. The collaboration with the village school bore fruit in the form of an inspiring Awareness Rally, delivering crucial messages on pivotal social issues such as women empowerment, voting awareness, and environmental sensitization. Furthermore, enlightening lectures on diverse social topics served as a platform for knowledge exchange and thoughtful discussions. The Annual Camp thus transcended mere organizational efforts, emerging as a catalyst for positive social transformation and community empowerment.
