5. A few specifications for PPT & POSTER presentation.

- a) No. of slides- 8 to 10
- b) Time duration- 5-10 minutes
- c) Participants- Individuals or a group of two people
- d) Language- Only English

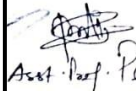

6. Details about the resource person/brief resume/introduction- B.Com-IIIrd Year, Semester V th and M.Com-IIInd year students.

6. Other necessary information (if any) - A PPT and Poster presentation activity was held on the 15TH October, 2024 between 7-8 pm. The aim of the session was to develop among the students key points like team work, coordination, research ability, knowledge base, listening and presentation skills and critical thinking and to develop a thorough knowledge on the topic of positioning and repositioning in top organizations. The student presentation and interactive session held helped the students to have thorough knowledge on the topic which is also part of their course curriculum- Positioning & Repositioning used and done by top organizations. The students could also learn the tips & techniques of group presentation- how to present, how to present in a group, how to complement each other and so on. They could also learn the techniques of making good and proper PowerPoint presentations which shall help them in the future presentations to be done. It helps to improve their skill, Communication, their ability to express and technical views.
