Report on Teachers Training Program on Use of ICT

An IQAC initiative under commerce department 'Teacher's training program on use of ICT ' was organised by G.K.Joshi (Night) Commerce College,Latur on 30.01.2025.Asst Prof. Lahu Shendge graced the training programme as resource person. A total number of 13 teachers were present for the program. As most of the topics were new to the participants, they got excited to learn the new techniques of online teaching.

The inaugural session was graced by the Principal Dr.Sachin M. Prayag. The principal welcomed all present in the session and requested the participants to take the best out of the training program.

The participants were introduced with various online and interactive presentation tools. Using these tools the e-contents or any online class can be made interesting and attractive for the students. Canva, Peardeck, Mentimeter, Powtoon, Mywhiteboard etc. are the interactive tools that were demonstrated for the teachers. This will equip teachers with adequate skills to use AI-driven tools to create more effective, inclusive, and engaging learning environments.

At the end of session all the issues, technical problems, doubts and questions related to demonstrated video lectures were addressed in a live interactive session with all the participants.

PICS OF THE PROGRAMME

Introductory Speech

Felicitation of the Guest

Welcome speech

Introduction of the Guest

Session in Progress

Vote of Thanks

Closing remarks

Asst. Prof Priti Pachange anchored the programme. Dr.Sujata Chavan introduced the guest. At the end of the session Asst. Prof. Neha Kamble thanked the chair and gave vote of thanks. In conclusion, this teacher training program successfully equipped teachers with the skills and knowledge to effectively integrate ICT into their classrooms. By providing comprehensive training, addressing challenges, and fostering a positive attitude towards technology, the program contributed to improved teaching practices, increased student engagement, and ultimately, enhanced learning outcomes.
